We allocate our three main camp meeting locations based on the size of the groups. Our minimum booking is 40 people. To book fewer than 40 people, phone two months ahead of the date.

Jensen Chapel: Our *Jensen Chapel*, allocated to the largest group, is a beautiful vaulted building with an open air option. It accommodates groups of 40-360+ and is fully equipped with a great sound system run by our sound tech for \$100.00 for a typical weekend chapel schedule. This large meeting space makes a great combo with our main street *Rustic Cabins*, 10 cabins that sleep 12 each. Each cabin has a sink and a toilet, and the well kept shower houses are located within 20 yards of the cabins. The price is \$117.00 for 2N/5M.

Fireside Room: Groups sizes of 40-80+ will be comfortable in the *Fireside Room* of our Dining Hall, which has high beamed ceilings and a beautiful forest view. This meeting room sometimes doubles as an eating area, depending on the number of total people in camp. Aside from 1/2 hour before each meal, this meeting room can be enjoyed privately by your group for the duration of your stay. This room comes with a complimentary PA system and 6 channel mixer. An LCD projector rents for \$50.00 for the weekend. The Fireside Room makes a great combo with the nearby grouping of cabins which we call *Cedars Cabins*. These 8 spacious duplexes sleep 10 or 12 on a side and include full bathrooms. The price is \$127.00 for 2N/5M.

Scott Building: Groups of 40-56 will feel at home in our *Scott Building*, a charming room with an intimate feel.
